Mr. Casey has declined to speak to the Business Council for International Understanding (BCIU) at an off-the-record informal dinner or luncheon. BCIU has now invited you to meet with them in his stead. This group would afford a good opportunity to wave the technical transfer flag. A meeting with the BCIU in a side trip to New York could be added to your pending appearance at the Whig-Cliosophic Society in Princeton, New Jersey sometime in the fall. Please indicate your preference.
